## Driving Directions to the Shults Center

(If you use a GPS to get to campus, put in the Nazareth College Arts Center as your destination- that will get you to the right parking lot (Lot A). There will be signs from there to guide you to the Shults Center where registration is.)

You will need to print a visitor parking pass, the link to do so is on the NYSSA website under the Annual Meeting tab. There is also a printable campus map online.
